V.

FULTON JUDICIAL CIRCUIT
DISTRICT ATTORNEY'S OFFICE,
GEORGIA,

Defendants.

§ § § § § § § § § § § § § § § §

CIVIL ACTION NO.
1:20-cv-00684-WMR-CMS

DECLARATION OF PAUL HOWARD JR.

1.

I am Paul Howard Jr. and am competent to make this Declaration. I am making this Declaration for use as evidence and specifically in support of Defendant's Motion for Summary Judgment. I have personal knowledge of all facts set forth in this Declaration.

2.

As the district attorney, Georgia law gave me sole and absolute authority to appoint individuals to my personal staff. Georgia law also permitted me to terminate members of my personal staff at-will.

3.

Since the Director of Policy and Programs and Deputy Chief of Staff was at the top of the chain of command at the DA's Office, I personally interviewed candidates for the position. After interviewing Plaintiff, she was offered the job.

4.

Plaintiff's salary was set at \$120,282.00. The reason the DA's Office could pay Plaintiff such a high salary, was through funding available for members of my personal staff. In order to get the funding, I had to request the funding from Fulton County and sign an Oath that Plaintiff was being hired only for my personal staff and that she would be directly supervised and personally accountable only to me.

5.

Because of Plaintiff's job duties and her interaction with my constituents, such as the public, community leaders, and dignitaries, Plaintiff represented the DA in the

community more than any other member of my personal staff. This was also true because Plaintiff played a leading role in every program, policy, or meeting that involved the public.

6.

At any given time, Plaintiff supervised 15-20 policies or projects on behalf of the district attorney.

7.

Because Plaintiff represented me in the eyes of the community, I was very involved with her work because I knew that my voters would judge me based on the job Plaintiff did implementing our Office's policies and projects.

8.

I set the agenda for which projects and programs the DA's Office would work on, and, on her first day, I provided Plaintiff with a list of the most pressing projects and policies that I wanted her to work on.

9.

Plaintiff's salary of \$120,282.00, made her the second or third highest paid person at the DA's Office, behind only me.

10.

In my 26 years as district attorney, I had never had a highly ranked staff member have so many complaints from co-workers as Plaintiff did. It was very concerning to me that so many complaints had been made when Plaintiff had been with the DA's Office for less than two months.

11.

It was also very concerning to me that it was staff who had been with the DA's Office for many years who were making the complaints about Plaintiff's behavior.

12.

The final straw that convinced me that Plaintiff was not a good fit for her position, happened at the end of June 2019. Plaintiff did not know that I witnessed the incident. An attorney on my major crimes unit who was about to start a major trial, came to my office to discuss the case. The attorney, Lauren Trevis, was stopped by Plaintiff and, in response to Trevis' request to see me, she was

told “in a very loud and rude voice, ‘that ain’t happening.’” When I witnessed this event, I was shocked and upset. It also gave credence to some of the complaints I had been told about. [Howard Dep. 128:23 – 130:06, 143:05 -21].

13.

In late June 2019, after I witnessed the incident with Lauren Trevis, Lynne Nelson and I discussed the complaints made about Plaintiff, the issues with Plaintiff’s performance, and the behavior issues. I decided during that discussion that Plaintiff could not continue in her role. [Nelson’s Dep. 29:25 – 30:08, 39:19 – 40:06, 42:21 – 43:04; Ex. A ¶ 13; Ex. A-6.; Howard’s Dep. 23:04-21, 136:14 – 137:07].

14.

The discussion and the decision to terminate Plaintiff happened before I was told anything about a pregnancy. [Nelson’s Dep. 29:25 – 30:08, 39:19 – 40:06, 42:21 – 43:04; Ex. A ¶ 13; Ex. A-6.; Howard’s Dep. 23:04-21, 136:14 – 137:07].

15.

I was not notified that Plaintiff had made any complaints about pregnancy discrimination until well after she was terminated.

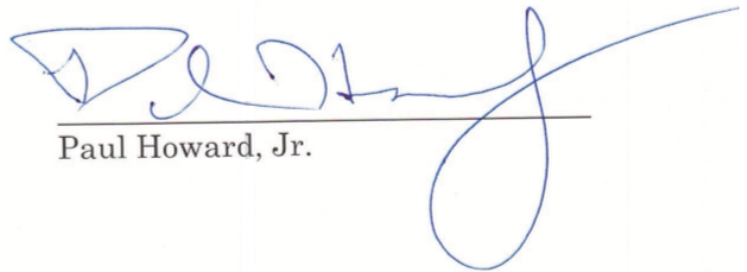

16.

As the former District Attorney for the Fulton Judicial Circuit, I can attest that the documents attached to my Declaration are a true and accurate copy, that documents of this type are routinely made and kept in the usual course of business, that each was made at or near the time of the event it records, and that I had knowledge of the events described within and that I reported such knowledge in the regular course of business. The exhibits are as follows: (1) the job description created for the Director of Policy and Programs and Deputy Chief of Staff; (2) a schedule of the interviews that were held for the Director of Policy and Programs and Deputy Chief of Staff position; (3) the Offer of Employment letter that was given to Plaintiff; (4) the Oath for Elected Officials to Hire Personal Staff signed by Paul Howard; (5) a list of programs and policies that Plaintiff was given and told to focus on during her first day at work; (6) emails discussing several complaints that were told to Lynne Nelson in June 2019.

(signature on following page)

I declare under penalty of perjury that the foregoing is true and correct.

Executed on the 5th day of April, 2022.

On Tuesday June 18th 2019, I assigned Investigator Hunter and John to transport administrators to Ebenezer Baptist Church to view the area for an expungement event that was taken place on July 20th of 2019. Investigator John was driving Jasmine and Tiffany to the Church, when they arrived Tiffany ask them to return in an hour for pick up. The Investigators decided to pick up a sandwich while waiting, once Tiffany called for them to return about 15 min after drop off not an hour they started back to pick them up. They actually had to wait about 5 min on their lunch and it took about 10 min to get back to the church. Once Jasmine and Tiffany got into the vehicle, Jasmine started to say "we would like to have lunch too". "if this was Chief or Mr. Howard you would have been back on time". "Do you know who I am" also asking Investigator John what was his name. Inv. John was very apologetic and continued to say that he was sorry for being late.

The next day, Investigators was coming to me asking if I heard about what Jasmine said to Inv. John. I was not aware so I went to Inv. John to ask him what happened, and he stated the above. I was waiting on a meeting with Mr. Howard on the 3rd floor and Jasmine came into the conference room and stated to her "if you have a problem with an Investigator, please come to me. Jasmine started to defend what happened, I was only letting her know do not beat up on the Investigators come to me if there is a problem. Jasmine got loud and so did I, so I made my way out of the room and back to my office.

On another occasion, we were in a meeting discussing the job titles for employees, Mr. Howard was asking questions and also telling everyone what he thought on how this should be. Jasmine did not agree, threw her face away and pretended she was not listening or interested in what the District Attorney had to say. This was very embarrassing to the staff that was in the meeting about 5 employees and the District Attorney. I could not believe this, I have never in my 23 years at the District Attorney's Office witness an employee be so disrespectful to their boss Paul Howard. Mr. Howard did not say anything in the meeting or after the meeting.
